## 2013 ETCETERA ROSÉ

### TASTING NOTES

Crisp and fruity, hints of cherry and pepper are rounded out with a creamy, delicate texture.

### LABEL DESCRIPTION

Carefully hand-crafted using our four main red wine varietals, Etcetera Rosé is a true celebration of 40 years of family winemaking. Produced in very small lots to be shared with a few, it features Cabernet Franc for pepper-like qualities, Merlot for flavor subtlety, Gamay Noir for fruitiness and Pinot Noir for cherry-like nuance. With beautiful salmon color, creamy-like character and a pleasing off-dry style, this wine is perfect for summer or fall-style cuisine and most anything else... *Etcetera.*
